Dear Parent/Carer,

RE: Year 10 Mock Examinations – Autumn 2022

From the week starting on Monday 7th November, Year 10 students will complete mock assessments for some subjects in the Main Hall. This will provide staff with valuable data with regards to how they have started their Key Stage 4 courses.

We have attached a copy of the guidance for candidates from the Joint Council of Qualifications (JCQ). These conditions should be met in all internal and external assessments and examinations. This is not only to develop good habits for the external examinations' next year, but also to ensure that any mock data collected is valid and meaningful.

Your child will get a paper copy of the attached timetable and the Academy will go through expectations with them during this week. We would encourage parents/carers to support your child in preparing for these assessments.

If you have any further questions, please do not hesitate in contacting the Academy.

Yours faithfully,

Miss J Tidbury
Assistant Principal
