Copley Academy reserves the right to establish courses based on the resources available. A selection procedure based on Attitude to Learning grades may be initiated if courses are over/under subscribed and if we are unable to staff them. We will discuss all changes with students involved and will take parental views into consideration as far as possible.

Please note these are draft option blocks and these may need to change to meet the needs of the majority of students.

Choices will be submitted via a Microsoft Forms document, which will be emailed out on Friday 3rd February.
