Dear Parent/Carer,

**Re: Year 11 February Half Term Revision Sessions**

I am writing to inform you of the additional learning opportunities available to your child during the February half term holiday.

In our continued effort to support Year 11 students in the final lead up to the exams, we have arranged for several revision sessions to take place during the half term holidays. This is in addition to the after school (period 6) sessions that have been taking place throughout the year and which will continue, after half term.

When attending the sessions students must enter through the front of school where they will be asked to sign-in before making their way to the allocated classrooms. If your child is going to attend the AM and PM session, they must bring their own lunch.

Sessions such as these can have a huge impact on boosting student performance towards their final grade and are a fantastic opportunity. Please could I ask you to support these sessions by encouraging your child to take as many opportunities as possible to attend.

Please feel free to contact me if you have any questions relating to the session using the email address below:

Yours faithfully,

**Mr C Coe**
