September 2024

Dear Parent/Carer,

RE: 2024-25 Catering Information

I hope you've had a good summer. I'm writing to share with you some information about our school catering offer at break and lunchtime.

We have recently been successful in obtaining funding through the National Breakfast Programme. This means we can offer a free half bagel and cereal to all students at our breakfast club from 8.00am to 8.30am in the dining room. Your child does not need to be eligible to free school meals to access free breakfast every morning.

At breaktime there is a selection of snack items for all students to purchase. These range from £0.30 upwards including slices of toast, teacakes, waffles and once a week we also have bacon baps. A full menu and price list can be found attached.

We have a selection of hot and cold food available at lunchtime from our homecooked main meals, hot sandwiches and fresh baguettes. A full menu can be found attached. We offer a meal deal option for £2.70 which includes a meal, desert and large drink.

For students on free school meals, their entitlement can be spent at lunchtime only and includes up to the value of a meal deal.

To add money to your child's account, this can be done through the Parent Pay portal. If you don't have access, please contact the Academy by email or telephone and we can send over the details.

We have a water fountain located in the dining room where students can fill up their water bottle before school and at break and lunchtimes. We update our menus throughout the year and they will be available on our website. Menus are subject to change slightly depending on food deliveries and product availability.

If you have any further questions about catering at Copley Academy, please do not hesitate to contact myself or the Catering Manager by emailing, mail@copleyacademy.org.uk.

Yours sincerely,

Mr J Bond
Business and Operations Manager
